this book offers a comparison of the forms of agreement from the aia agc and ejcdc by providing a guide to how they treat the most significant issues in owner contractor subcontractor

and owner design professional agreements and proposed alternative language for situations where the form contract approach may not provide the best solution

according to a recent national survey more construction contractors use quickbooks pro and quickbooks than all other accounting programs combined and for good reason quickbooks pro excels at all the routine paperwork in a construction office writing checks keeping track of your bank balance sending out invoices and statements creating up to the minute profit and loss statements for the month year or by job writing payroll checks paying suppliers and subcontractors tracking job costs comparing estimated and actual costs for each job and much more but there s a lot to learn in quickbooks pro and converting to a new accounting system can be a complex and confusing task even if you have a strong background in accounting and plenty of time to install the new system that s why this book was written because most construction pros aren t accounting experts and have more important work to do at the job site contractor s guide to quickbooks pro 2004 will walk you step by step through quickbooks pro s detailed setup procedure and then explain item by item how you should be using quickbooks pro every day in days rather than weeks you ll create a first rate accounting system that s an asset to your company here you ll find simple well illustrated instructions for customizing the setup for quickbooks pro 2004 including what each screen on your monitor should look like this manual explains every choice you need to make and every button you need to click on and it tells you how to get a trial version of quickbooks pro if you want to try it before buying and includes two other programs you ll want to use when estimating costs with quickbooks pro with this book the cd in the back with the software and data files just described and quickbooks pro 2004 you have at your fingertips all the financial tools needed to keep your books straight and your company running strong and in the black book jacket

includes a mid december issue called buyer guide edition

walks anyone through quickbooks pro s detailed setup procedure and explains step by step how to create a first rate accounting system for a construction business it teaches in days rather than weeks how to use quickbooks pro to get a construction business organized with simple fast accounting proceeedures on the cd included with the book there s a quickbooks pro file preconfigured for a construction company drag it over onto your computer and plug in your own company s data also included is a complete estimating program including a

database and a job costing program that lets you export your estimates to quickbooks pro for progressive billing and job cost accounting it even includes many useful construction forms to use in estimating and accounting
