Careful analysis and interpretation of the biblical text rooted in a study of the Hebrew text of the Old Testament and intended to track the flow of the argument in each book and passage. Key features of the series in our effort to serve pastors and teachers in their study of the text of the Old Testament for ministry. Zondervan has developed a set of distinctive features for this series: a graphical display of the text of each passage. This visual thought flow of the passage will enable the reader to grasp quickly and accurately the main idea of the text, its development, and supporting ideas. For readability, the graphical display will be done in the commentator's own English translation of the passage. A few paragraphs of discussion following this display will seek to enable the reader to understand how the commentator arrived at this depiction and interpretation of the passage. Identification and discussion of the main idea of each passage. Special emphasis will be placed on identifying and discussing the main thrust of each passage and showing how it contributes to the development of the whole composition. The main idea will be illustrated in the graphical display, discussed in the introduction to the passage, and reflected upon in the theological and canonical significance section of the commentary. Help in drawing out the meaning of the Hebrew for interpretation. The goal of this exegetical commentary series will be to draw on Hebrew grammar in the service of meaning. Hebrew will not be discussed for the sake of better understanding Hebrew alone. Whenever a Hebrew construction affects the interpretation of the text, this feature will be discussed and explained. Theological and canonical significance. This portion of the commentary will focus on providing a theological and applicational discussion of the main thrust of the passage. This section will build the theological discussion on the exegesis of the text by synthesizing the theology of the passage and elaborating on it.

Do not urge me to abandon you; to turn back from following after you, for wherever you go, I will go, and wherever you lodge, I will lodge. Your people are my people, and your God is my God. In this pivotal verse, Ruth's self-sacrificial declaration of loyalty to her mother-in-law Naomi forms the relationship at the heart of the Book of Ruth. Peter H. W. Lau

the book of ruth seems simple it is the tale of a poor moabite widow who relocates to bethlehem and finds security there when she marries boaz a wealthy israelite man although the plot is simple the book s message is elusive re reading ruth demonstrates how careful attention to the book s structure allusions wordplay and location in the canon can reveal the dynamic ways that it engages with other biblical stories and how that engagement shapes its message

most scholars of the hebrew bible old testament recognize ruth s simplicity and beauty yet there has been little consensus in critical scholarship related to the book s origin and purpose opinions on the text s date range from the early monarchic period down to the post exilic period and interpreters argue over whether the narrative served to whitewash david s lineage or if it held ruth out as a positive example of gentile inclusion in the judean community with an eclectic approach drawing on traditional exegesis analysis of inner biblical allusions comparisons of legal and linguistic data and modern refugee research edward allen jones iii argues that ruth is indeed best understood as a call for an inclusive attitude toward any jew or gentile who desired to join the judean community in the early post exilic period within the narrative s world only boaz welcomes ruth into the bethlehemite community yet the text s re use of other biblical narratives makes it clear that ruth stands on par with israel s great matriarchs though

certain segments of the judean community sought to purify their nation by expelling foreign elements in the restoration period yhwh s loving kindness in ruth s life demonstrates his willingness to use any person to build up his people
